

Dear SAM Members:

We are organizing sessions on location and spatial analysis for the coming 2010 AAG Annual Meeting. The meeting will be held in Washington, DC from April 14-18, 2010. In these sessions, we welcome studies or applications that address any relevant issues on location and spatial analysis, including but not limited to

- ✧ Problem formulation
- ✧ Geographical space representation
- ✧ Continuous/discrete problems
- ✧ Problem solution strategies & Heuristics
- ✧ Network location
- ✧ GIS and location analysis
- ✧ Applications in business, transportation, land use planning etc.

If you would like to contribute to this stream of sessions, please submit your abstract online (<http://www.aag.org/annualmeetings/2010/papers.htm#>) and then email us the title, abstract, author information and your **AAG PIN** so that we will be able to include you in one of our sessions (Our contact information is given below).

Please also forward this announcement to your colleagues or students who might be interested.

Important dates:

Deadline for Abstract Submission: October 28, 2009

Deadline for Early Registration: March 17, 2010

Conference Date: April 14-18, 2010

We look forward to seeing you in Washington, DC!

Sincerely,

Daoqin Tong, Eric M. Delmelle and Xiaolan Wu
